

FISCAL NOTE

HB 1058 - SB 1291

February 21, 2007

SUMMARY OF BILL: Requires, rather than permits, judges to dismiss violations of the financial responsibility law if the person charged with the violation presents sufficient evidence of compliance on or before the court date.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues – Not Significant
Decrease State Expenditures – Not Significant

Assumptions:

- A slight decrease in the number of annual convictions for this offense resulting in fewer persons having their license suspended. Most are currently dismissed when proof of financial responsibility is shown.
- Fewer persons having their license suspended means fewer persons will have to apply and pay fees to have their license reinstated resulting in a decrease in state revenues and expenditures.
